Dear Coach,

The City of Tempe's "All City" Summer Basketball Program continues to be a huge success. Last summer's program proved very successful. Plans are now underway for this coming summer season. If you and your team are interested the program outline follows:

- "Varsity" league; games played twice a week on Mon./Wed. evenings **limited to eight teams**.
- The league will have a four week "regular" season (play beginning Tuesday, May 30th) followed by a single elimination tournament starting on June 26th.
- The cost for the league is \$325 per team. This fee provides each team an eight (8) game regular season, a single elimination tournament, officials, scorekeepers, and gym staffing.
- Teams will play two games per week. All games will be played on weeknights (Mon. & Wed. between 6:30 – 9:30 p.m. start times).
- The location for this league is tentatively scheduled to be at Tempe High School.
- Each week we will post the previous week's results on the City's web page and provide hard copies to each team.

I have enclosed an informational flyer accompanied by a team registration form and a liability release form for a parent to sign for each participant. Please make copies and forward them to the athletes at your school.

If you interested in having your team participate please call me at 480-350-5222 and "secure" your team a place in the league. If you have any questions or need further information don't hesitate to call. Thank you for your past participation.

Sincerely

Shane Isabell, Recreation Coordinator
